

EtonHouse®

Pre-School by the Beach

A ground-breaking Pre-School on the Island by the Beach.

- Reggio-inspired inquiry-based bilingual programme, centred around the three pillars of The Island is My Playground, The World is My Oyster and I Learn with My Community.
- EtonHouse Pre-school by the Beach will artfully unify education, entertainment, and environmental mindfulness, giving rise to an extraordinary institution of learning.
- Learning about Nature in Nature. Our curriculum would include a heightened focus on coastal environments, the study of marine life together with the stewardship of Singapore beaches.

Learning Environment

- Classrooms with lots of natural sunlight and stunning views of the beach
- Noah's Ark Indoor Playground
- Edible Garden
- Digital Landscape Nature Atelier

Curriculum

Pre-Nursery

Nursery

Kindergarten
