

EtonHouse®

City Pre-School

Early Childhood Education in the Heart of Singapore at Collyer Quay

- A visionary early childhood education campus that transforms urban landscapes into an immersive, interactive learning environment.
- Embracing the dynamic energy of the city, its architecture, culture, and people, we empower children to see themselves as active participants in an ever-evolving world.
- Our innovative early childhood experience is built on three key pillars: Children Protagonists of the City, Flexible Care for Today's Families and Innovative Learning Spaces that spark curiosity and imagination.
- Bilingual and EtonHouse ZhongHua Full Mandarin Immersion Programmes available.
- Japanese language for native speakers. Non-native children in K1 and K2 may opt to join a weekly Japanese language class conducted after curriculum hours.
- **Newly opened: Boutique infant care programme with highly personalised care and education.**
